Hello good folks

We just launched Trupeer on Product Hunt today and I would love to have your support. Trupeer builds studio-quality videos and guides for your products in minutes. All you have to do is do a simple screen recording and let AI do the rest.

Thanks a lot!

Also, Happy Ganesh Chaturthi

Thanks so much in advance. We will help you with your launch too.

Do consider using Trupeer for your launch/demo video - like we have done ours on the PH page 😊

Cheers
